

2017 BAND BIO / ePRESSKIT

CHANT: Tribal-infused-electronic, drum-driven, apocalyptic rock!

“One of the most exciting bands currently touring – it’s visceral and makes you feel alive”
- COMA Music Magazine

CHANT (Austin, TX, USA) gained international recognition for their high-energy, unforgettable live shows, touring throughout the US, UK and Europe with iconic legends KMFDM, Lords of Acid and Die Krupps – all the while keeping a modest DIY attitude and close relationship with fans. CHANT’s 3rd album ‘Brave New Apocalypse’ – distributed by WTII Records - released to outstanding reviews, charting on more than a dozen Rock and Industrial publication's top 20 lists of 2015 best albums.

“An amazing compilation of rage and style, passion and noise and love – and you’ll feel the waves roll through you.” – MVRemix Magazine
