## CHANT RETURNS FOR SECOND KMFDM TOUR 2013

*CHANT set as sole opening act, releases free tracks for fans*

**SEPTEMBER 12-- AUSTIN, TX** -- After an acclaimed run with the first **KMFDM** 2013 U.S. tour, tribal-industrial drum project **CHANT** will return for this year's second KMFDM tour, **We Are KMFDM**, this Fall as the sole opening act. Tour dates are listed on the CHANT official site <http://www.chantproject.com/shows/>, as well as below.

To celebrate the return, CHANT will release two free tracks to fans: "Universal" and "Low." "Universal" will be available for fans who sign up for CHANT's mailing list via ReverbNation; "Low" will be available via QR code to fans attending the tour shows.

Fans will have the option to pay any amount for the two releases directly from CHANTproject.com; doing so enters them into a contest to win a limited edition silk screened poster and lyric sheet of CHANT's new single at the close of the KMFDM / CHANT tour this fall.

The press has described CHANT's energetic, drum-pounding live shows as "**intense, honest, emotional, and moving**" (Texas Edge Magazine / Austin Chronicle / MagX). Featuring dual tribal drumming – creator Bradley Bills and band member Kristopher Robin bash and slam metal trash cans, satellite dishes, exotic percussion instruments, and custom drum set ups to their electro-industrial laden tracks.
